About us

Our Vision

To become a globally recognized leader in natural ingredients, essential oils, aromatic chemicals, and specialty products by delivering exceptional quality, innovation, and customer value.

Our Mission

To provide premium-quality products through continuous innovation, advanced manufacturing processes, stringent quality standards, and outstanding customer service while building long-term partnerships based on trust and mutual growth.

QUALITY POLICY

We at SHRI BHAGAT AROCHEM PRIVATE LIMITED, quality is the foundation of our business and the driving force behind our commitment to excellence. We are dedicated to manufacturing and supplying premium-quality Natural Essential Oils, Menthol Crystals, Mint Products, Carrier Oils, Butter Oils, Aromatic Oils, Hydrosols, Herbal Extracts, and allied natural ingredients that consistently meet or exceed customer expectations and applicable statutory, regulatory, and international quality standards.

We are committed to delivering safe, reliable, and innovative products by implementing an effective Quality Management System (QMS) and strictly adhering to the principles of Good Manufacturing Practices (GMP), quality assurance protocols, and continual process improvement.

Our Core Values – "BHAGAT"

Our organizational culture is built upon the values represented by BHAGAT, which guide every aspect of our operations:

- **B – Behavior: Professionalism and ethical conduct in every interaction.**
- **H – Honesty: Integrity, transparency, and fairness in all business practices.**
- **A – Accountability: Taking ownership of our responsibilities and commitments.**
- **G – Gratitude & Generosity: Respecting relationships and creating value for customers, employees, suppliers, and society.**
- **A – Awareness: Continuous learning, quality consciousness, safety, and environmental responsibility.**
- **T – Transparency, Trust & Respect: Building enduring partnerships through openness, mutual trust, and respect.**

Quality Objective

Our objective is to achieve sustained business excellence by:

- **Delivering products of consistent and superior quality.**
- **Exceeding customer expectations through innovation and continuous improvement.**
- **Maintaining compliance with ISO 9001:2015, Good Manufacturing Practices (GMP), and other applicable quality standards.**
- **Strengthening our quality culture through teamwork, responsibility, and continual enhancement of organizational performance.**

"Quality is not merely a standard we achieve—it is the promise we deliver."
